A'Vents by August  
Member

The Invitation Lounge was created by  
Alicia August Wright (Avents by August)  
and Lori Banks (Taylor Made Invites).

Alicia and Lori are two creative individuals with great taste, aesthetics, and opinions. The Invitation Lounge was designed to create events that are based on mutual trust, passion, and drive for creating unique events.

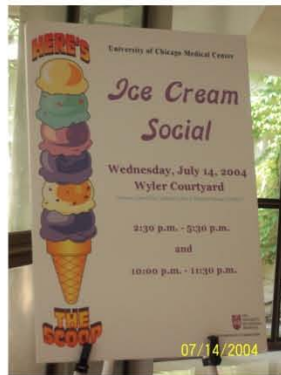

# Weddings

At A'Vents by August., we believe above all in personal contact and in developing the chemistry of a soul mate. We approach every relationship with our client, other vendors and organizations as a partnership. We function seamlessly, we gain solid understanding of your needs, goals and image. We eventually amplify your desires along with providing good council and efficient management in all the areas of our expertise.

---

We at A'Vents by August deeply appreciate the rare opportunity and possibility of working with you. We are fully aware that you have many choices and we thank you for your time! A'Vents by August is a Chicago-based boutique event design firm which is large enough to operate efficiently and effectively, yet small enough to create the event of your dreams with relentless pursuit of perfection and with undivided attention to every smallest detail.

We invite you to explore our portfolio which is just a short overview of our attitude, services and fees.

Please call for your complimentary meeting to discuss your dreams and specific needs at (773) 789.4864 and Thank you ~ again!
